

The UNIVERSITY  
OF WYOMING

# College of Engineering and Applied Science (CEAS)

*Office of Development and Communications*

*Working for Wyoming and the World*

## Responsibilities

### Development

External relations / Fund raising / Stewardship

### Communications

Events / Publications / Brochures / Press / Mailings

Website / Electronic Boards / Signage

## People

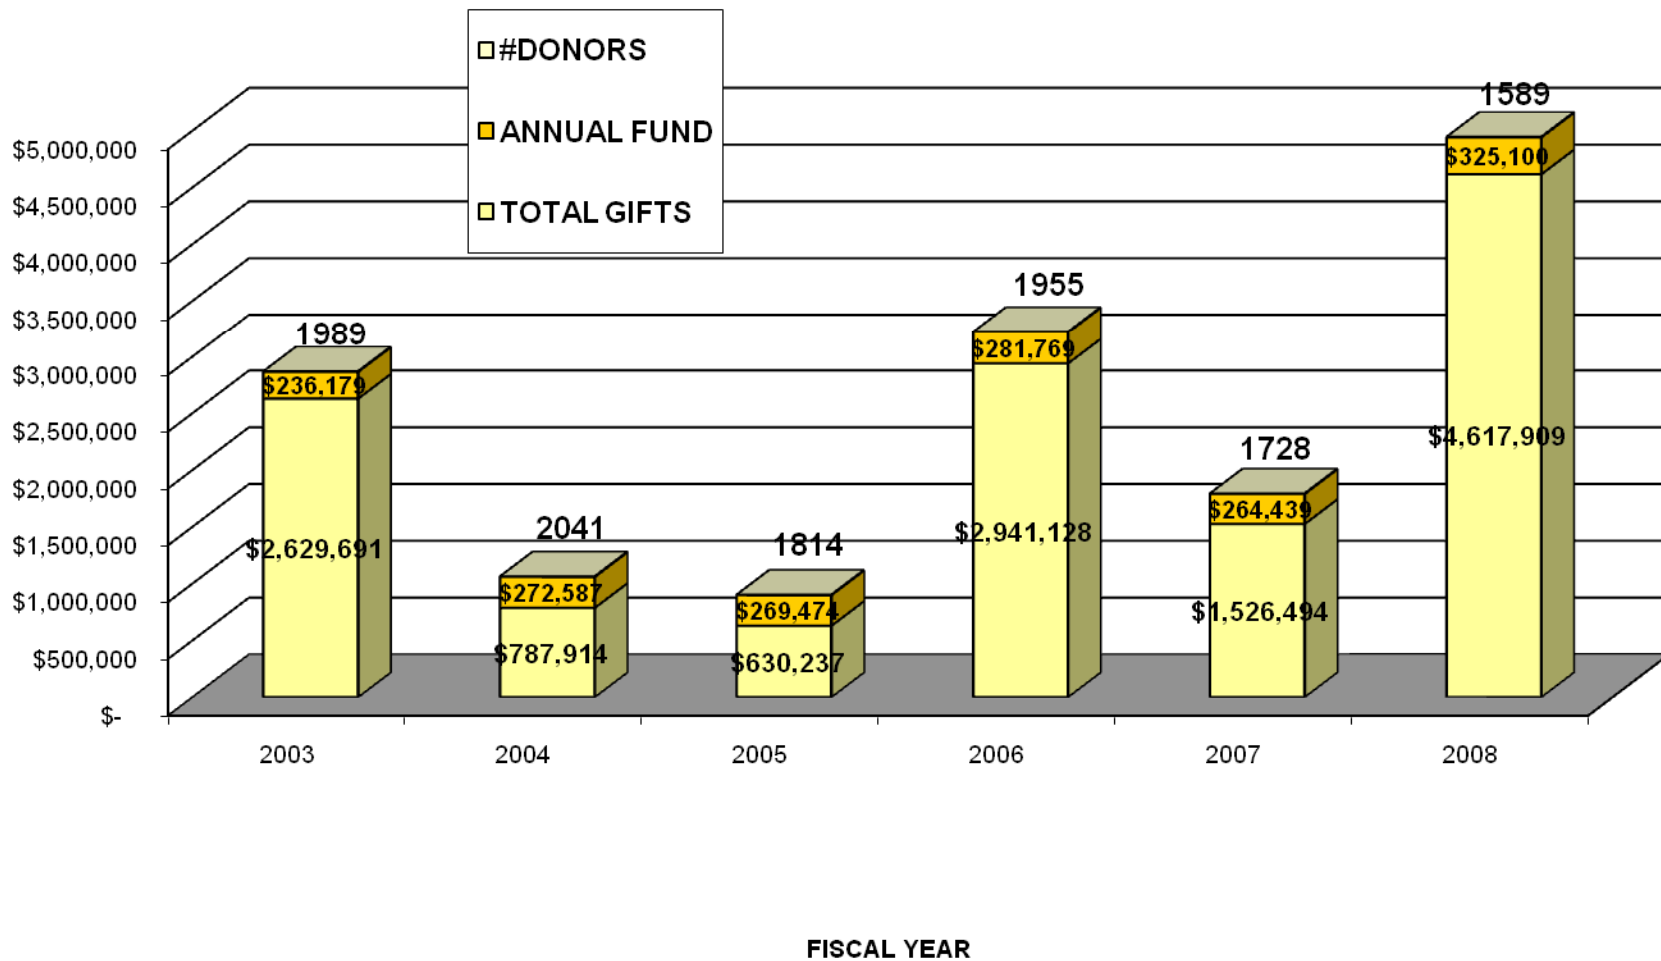

Sherrie Merrow, Director Development & Communications

Baillie Miller, Advancement Coordinator

Thyra Shepherd, Communications Coordinator

# Gift History FY2003-08

**FY09 Through 03/31/2009**  
\$1.2M cash    \$73M software

# FY08 Annual Fund

	<b>FY2003</b>	<b>FY2004</b>	<b>FY2005</b>	<b>FY2006</b>	<b>FY2007</b>	<b>FY2008</b>
<b>DEANS</b>	119,879	146,022	136,097	167,823	190,042	191,412

<b>Totals</b>	<b>\$236,179</b>	<b>\$273,136</b>	<b>\$270,394</b>	<b>\$281,769</b>	<b>\$308,247</b>	<b>\$325,100</b>

NOTE – Numbers Include Corporate Matching Dollars

## FY09 Through 03/31/2009

\$205.1K (\$241.1K to date in FY08)  
~ \$9,323 for Computer Science

Exploring Creativity and Imagination in the Arts

Enhancing the Graduate Experience

Empowering the Nontraditional Learner

Reaching Out to Wyoming

**Powering Wyoming's Future**

Promoting Political and Cultural Leadership

Cultivating a Global Perspective

Advancing Athletic Excellence

Fostering Academic Innovation

## Endowed Excellence Funds

- Next Generation Program  
Recruiting/Retention/Quality (\$6M)
- Engineers Without Borders – UW Chapter (\$2M)
- Departmental Excellence Funds (\$2M each)
- Bauer Computer Science Excellence Fund (\$4M)
- Energy Systems Engineering Program (\$2M)
- Earth System Science Program (\$2M)
- College Excellence Fund (\$10M)

## Faculty Endowments

- H. T. Person Endowed Chair (\$1.8M)
- Chair/Professorship in Atmospheric Science (\$4M/2M)
- Chairs/Professorships/Faculty Fellowships

## Student Support

Note: Excellence Funds Also Support Students

- Graduate Fellowships (\$30K each / \$635K endowment)
- UW Recognized Student Organizations (RSO) Support

## Facility & Technology Enhancement

### Short Term (1-3 years)

- Wind Energy Research Center Facility (\$4M)
- Chemical Engineering Unit Operations Laboratory (\$500K)
- King Air Facility Enhancement (\$1.5M)

### Medium Term (3-5 years)

- College 1926 Facility Renovation (\$30M)

### Long Term (5+ Years)

- Naming Options  
(\$25M+ Names College / \$10M+ Names Department)

## Currently Identified Projects

- Bauer Computer Science Excellence Fund (\$4M)
- Next Generation Program Endowment  
Recruiting/Retention/Quality (\$6M)
- Lecture Series Support (\$25K)
- Collaborative Project Labs
- Additional space for Machine Intelligence Lab
- Multiprocessor Technologies Lab
- ACM Student Chapter Support

# Improved Facilities

## Campus Improvements

- Athletic Facilities
- Prexy's Pasture
- WY Technology Business Center
- Health Sciences
- Classroom Building
- Anthropology
- Library
- Information Technology Building
- College of Business
- School of Energy Resources
- Fine Arts Center
- TBD 1926 College of Engineering
