

COSC 5010. Formalizing the JVM in ACL2.

Spring 2004

Homework Assignment 4

Due Tuesday 10 February 2004

The file `hw4.lisp` found at

`http://www.cs.uwo.edu/~cowles/jvm-acl2/hw4.lisp`

contains **JVM Problem Set 2**.

- Email your solutions to me at `cowles@uwo.edu`.
- The subject line should identify the problem set, i.e. **JVM Problem Set 2**.
- The body of the message should be a Lisp readable file in simple ascii text format.
- The first few lines of the body should contain your name.
