

Homework Assignment 5

Due Tuesday 17 February 2004

1. Start reading Chapters 8 and 9 of *Computer-Aided Reasoning: An Approach*.
2. The file `hw5.lisp` found at

`http://www.cs.uwo.edu/~cowles/jvm-acl2/hw5.lisp`

contains **JVM Problem Set 3**.

- Email your solutions to me at `cowles@uwo.edu`.
- The subject line should identify the problem set, i.e. **JVM Problem Set 3**.
- The body of the message should be a Lisp readable file in simple ascii text format.
- The first few lines of the body should contain your name.
